MISSION BRIEF

WEEKLY TOPIC SHEET

SUMMARY

The Impact 360 Fellows Program is a nine-month Christian gap year experience designed to help students grow in their faith, develop as leaders, and prepare for life after high school. In this episode, seven recent Fellows join Tommy to reflect on the experiences, relationships, and lessons that shaped their year. They share how intentional Christian community and discipleship helped them navigate challenges, ask deeper questions, develop spiritual habits, and understand what it means to have a personal relationship with God. From international service opportunities and conversations about faith to everyday moments of friendship, the Fellows explain how they learned to put what they believed into practice. Their stories offer high school seniors a look at what it can mean to invest intentionally in spiritual growth before taking their next step.

KEY WORDS

- Community
- Discipleship
- Faith
- Growth
- Intentionality
- Relationships

THINK ABOUT IT!

What would it look like to approach your transition after high school with intentionality? How might taking time to grow spiritually, develop as a leader, or serve others influence your future?

ACTIVITY SHEET

MONDAY	Listen to Episode 161 of The Launch Mission Podcast featuring seven Impact 360 Fellows alumni. Write down three takeaways from their experiences. What stood out to you about how they grew in their faith and relationships?
TUESDAY	The Fellows shared how meaningful friendships helped them grow. Think about the people who encourage and challenge you. Reach out to one person today and find a way to intentionally invest in that relationship.
WEDNESDAY	Several Fellows discovered new ways to connect with God. Try a spiritual practice you don't regularly do, such as journaling, praying aloud, or spending quiet time with God. What did you learn?
THURSDAY	The Fellows learned that honoring God happens in everyday moments, not just at church. Look for one opportunity to reflect Christ through your words, actions, or relationships today. How can you make everyday moments meaningful?
FRIDAY	Impact 360 challenged students to grow through community, service, and discipleship. Think about what you want to develop before college. Write down three areas where you'd like to grow and one practical step you can take toward each.
